MEMORANDUM TO WING COMMANDERS IN ROCKY MOUNTAIN REGION

FROM: Rocky Mountain Region Commander

SUBJECT: RMR Supplement to CAPR 52-10

1. This memorandum is intended to clarify issues regarding the supervision of cadet members by senior members within Rocky Mountain Region. Unit commanders at all echelons within the Region are charged with many responsibilities. Cadet Protection and escort requirements are of paramount importance. At this time it is necessary to enhance the cadet escort requirements within the Rocky Mountain Region.

2. Effective immediately, CAPR 52-10 (22 December 2003), paragraph 4(d) is supplemented to read as follows:

Ensure that at least two "approved" senior members are present at all overnight cadet activities. One male and one female escort must be present during any overnight cadet activity where both male and female cadets are present. Overnight cadet activities composed entirely of cadets of one gender may be accompanied by a male and female escort or by two escorts of the same gender as the cadet participants. Encourage at least two senior members to be present at all cadet activities (with the exception of chaplain counseling or cadet orientation flights). This policy is for the protection of the senior members as well as the cadets.

3. This supplement has been approved by NHQ/LMP and NHQ/GC as required by the preamble of CAPR 52-10 (22 December 2003).

4. Please address all questions to the undersigned.

LYNDA C. ROBINSON, Colonel, CAP
